

Split Roll Property Tax (*National Public Radio*)

June 24, 2011

NPR comment:

CalTax President Teresa Casazza:

"The amount of property taxes that non-homeowners pay has been increasing. There has not been a shift of property tax burden from businesses to homeowners – in fact, it's just the opposite. Over these 33 years, there has been a slight increase in the amount of property taxes that non-homeowner property subject to Prop. 13. ... Prop 13. is working. Prop. 13 is working for homeowners, and Prop. 13 is working for non-homeowners."
