

California's Tax Machine

A History of Taxing and Spending in the Golden State

Order your copy of the second edition of **California's Tax Machine**, David R. Doerr's definitive account of the many moving parts that make up the Golden State's tax system!

The second edition provides full coverage of Governor Gray Davis' term and the first five years of Governor Arnold Schwarzenegger's administration.

The new edition includes more photos and tables, expanded coverage of tax-like fees, valuable descriptions of recent court cases that impact taxpayers, and extensive coverage of how the state's tax agencies operate California's Tax Machine.

California's Tax Machine chronicles the birth of assessments on property, income, sales, utilities, vehicles, banks and corporations, inheritances, oil, alcohol, tobacco and more. It includes must-read chapters on the landmark property tax initiative Proposition 13, detailing the causes and effects of the taxpayers' revolt.

David R. Doerr has been active in California's tax scene for five decades, serving as the Chief Tax Consultant to legislators from both political parties, and for the past 22 years as Chief Tax Consultant for the California Taxpayers' Association.

California's Tax Machine is a MUST for your tax library, and is the ideal corporate gift!
