**California Taxpayers' Association President Teresa Casazza
Available to Discuss 30th Anniversary of Proposition 13**

California Taxpayers' Association President Teresa Casazza will be available this week to discuss often-overlooked effects of Proposition 13, and why taxpayers should reject efforts to repeal Proposition 13's protection or move to a "split roll" approach to property tax assessments.

The landmark property tax reform initiative was approved by California voters on June 6, 1978.

To schedule an interview, please contact Cal-Tax Director of Communications David Kline at (916) 930-3108 or by e-mail at davidk@caltax.org.

The California Taxpayers' Association was founded in 1926 to protect taxpayers from unnecessary taxes and to promote government efficiency.
